# Setting up JoVE Content with Blackboard

## Embedding JoVE Videos    Watch a video tutorial ▶

Before starting to embed videos, please **login to your JoVE account**.

If you don't have a JoVE account yet, please **sign up** at https://www.jove.com/account.
**Make sure you select a role of "Professor / Instructor"** when creating your account. This role enables embed codes you create to have access keys in them.

*IMPORTANT* - *Without the access key, the embed code will not work correctly for off campus students.*

1.  Open the JoVE website. Click on a video of interest.

2.  Below the JoVE video that you want to embed, click on the '<> EMBED' button.

3.  Copy the embed code.

4.  Log into Blackboard.

5.  Select the course of interest. A new navigation pane appears.

6.  Click on 'Content' on the left panel.

7.  Click on the 'Build Content' tab on the workspace and select 'Item' from the dropdown menu.

8.  Type a name under the 'content information' section relevant to the video.

9.  Click on the '...' on the right side of the toolbar to load additional options.

10. Select the '<>' button.

11. Paste the embed code.

12. Click submit to return to the course panel where the video is now available.

## Loading a Common Cartridge File with JoVE Content    Watch a video tutorial ▶

You can request a common cartridge from your customer success specialist by sending a list of the videos you would like to add to your course. Don't know who your dedicated specialist is? Just email CustomerSuccess@jove.com. Once you have the cartridge, the instructions below will walk you through the process of loading it into Blackboard.

1.  Log into Blackboard.

2.  Select 'Packages and Utilities' from the list on the left hand side, under Course Management.

3.  Click on 'Import Package / View Logs'.

4.  Click on 'Import Package' at top left.

5.  Click on 'Browse local files' to select a package.

6.  Select the Common Cartridge that you have saved on your computer and click 'Open' [To request a common cartridge please contact your Curriculum Specialist].

7.  Scroll down to 'Select Course Materials', click on 'Select All' and then the 'Submit'.

    Button. Refresh the page.

8.  On the left hand list you should now be able to see the courses that you have selected below 'Help'.

9.  Click on the course name and select the collection to view.

10. Select the video that you want to play from the collection.
