

# Teaching with JoVE using Microsoft Teams

Below you'll find a few simple steps on how to share JoVE videos with your students while teaching in Microsoft Teams. To get a complete guide for Microsoft Teams for education, please click [here](#) to download.

- Log into your JoVE account and queue up the video you would like to share
- Turn closed captions on by clicking on the **CC** button in the bottom right corner of the JoVE video player
- In your MS Teams meeting, select **Share desktop**

- Pop-up window appears with your screens and open computer programs
- Check the **Include system audio** box to the left
- Choose the screen you'd like to share by clicking on it

- Mute your students so that there isn't any background noise, you can find this option in the **Manage Participants** window

- If you would like to narrate or comment while the video plays, make sure you do not mute yourself

- Play the desired video!
