## Materials

| Name                            | Type    | Company                       | Catalog Number    | Comments |
|---------------------------------|---------|-------------------------------|-------------------|----------|
| Microdialysis catheter          | Tool    | Dermal Dialysis               | NA                |          |
| Pump 22                         | Tool    | Harvard Apparatus             | 552219            |          |
| Saalmann Multitester SBB LT 400 | Tool    | Saalmann GmbH                 | NA                |          |
| RM-12 IP-65 Radiometer          | Tool    | Dr. Grobel UV Elektronik GmbH | 82120000/81112100 |          |
| Complete Proteinase Inhibitor   | Reagent | Roche Group                   | 11836145001       |          |
| Microcent tube                  | Tool    | E&K Scientific                | 380150-X          |          |
| Albumin 5%                      | Reagent | ZLB Behring                   | NA                |          |
| Lactated Ringer                 | Reagent | Hospira Inc.                  | NA                |          |
| Xylocaine-MPF                   | Other   | AstraZeneca                   | NA                |          |
| Syringe 1mL                     | Tool    | BD Biosciences                | 309602            |          |
