## Materials

| Name                                       | Company                     | Catalog Number | Comments |
|--|-----------------------------|----------------|----------|
| DMEM                                       | GIBCO, by Life Technologies |                |          |
| 4-MUNANA                                   | Biosynth International, Inc |                |          |
| Fetal calf serum                           | Hyclone                     |                |          |
| DakoCytomation, Fluorescent Mounting Media | Dako                        | S3023          | 15 mL    |
| Tamiflu (Oseltamivir Phosphate)            | Hoffmann-La Roche AG        |                |          |
