**Materials**

| Name                       | Company              | Catalog Number   | Comments                 |
|----------------------------|----------------------|------------------|--------------------------|
| Prosense 750               | Visen Medical        | VM110            | 500 nmol/kg IV injection |
| Heparin Sodium             | APP Pharmaceuticals  | 401586D          |                          |
| Cephazolin                 | NovaPlus             | 46015683         |                          |
| Lidocaine HCL 2%           | Hospira Inc.         | NDC 0409-4277-01 |                          |
| Buprenorphine              | Bedford Laboratories | NDC 55390-100-10 |                          |
| Ketamine                   | Hospira Inc.         | NDC 0409-2051-05 |                          |
| High Cholesterol Diet 1%   | Research Diets       | C30293           |                          |
| High Cholesterol Diet 0.3% | Research Diets       | C30255           |                          |
