The Optogait system contains the following equipment:

- 10 Light-transmitting (T) bars (1 as a first meter)
- 10 Light-receiving (R) bars (1 as a first meter)
- 18 Caps to connect the bars within a set (9 for T and 9 for R bars) and 2 special caps for the last T and R bar
- 1 Camera with its tripod
- 1 Cable for connecting the Optogait to the laptop
- 1 Cable for connecting the camera to the laptop
- 2 Power supplies (one for each set of bars)
