Materials

Name	Company	Catalog Number	Comments
Clinical Center Reference Endotoxin (CCRE, <i>Escherichia coli</i> O:113:H10:K negative)	National Institutes for Health	n/a	GMP Manufactured Endotoxin
Syringes (1 ml, 5 ml)			
Water for injection			
0.9% sodium chloride (sterile, clinical grade)			
Intravenous cannulae			Minimum 20 G French
Sphygmomanometer			If intraarterial line placed, transduction equipment for invasive blood pressure monitoring
Pulse oximeter			
Thermometer			Tympanic, oral or core (rectal, oropharyngeal)
Electrocardiograph machine			
Sample collection tubes			As utilized by local clinical laboratory
