“JoVE is a resource that’s unlike any other resource that we have here at the library. I would recommend it to other librarians, especially those working with medical students or any kinds of researchers that really could take advantage of a unique visual platform.”

Whitney Bates-Gomez, Electronic Librarian
Memorial Sloan Kettering Cancer Center

JoVE is the leading producer and publisher of video resources with the mission to increase the productivity of research and education in science, medicine and engineering. JoVE has produced more than 7,000 video articles demonstrating experiments filmed in laboratories at top research institutions and delivered online to millions of scientists, educators and students worldwide.
