# Embedding JoVE Videos Into Brightspace

After identifying the JoVE Science Education, JoVE Journal, or JoVE CORE Video you want to embed, click the **embed** button beneath the video. Copy the embed code in the window to insert into Brightspace.
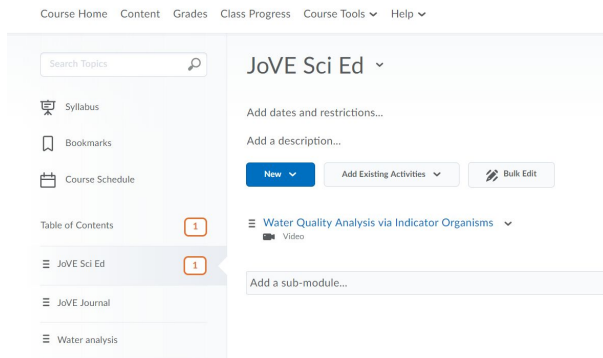

1. Log into JoVE
2. Go to desired video
3. Click '<> EMBED' below video
4. Copy Embed Code
5. Log into Brightspace
6. Click on your desired course under "My Courses"

7. Click on the Content tab towards the top of the page

8. Under the title of the course, click on the blue, "New" drop down button

9. Select Video or Audio under "New"
10. If it does not default to Web Video or Audio, click on the tab towards the pop out window.
11. Paste the embed code from your selected video in the window

12. Click Save at the bottom
13. This will bring you to the course page, with the video in blue type under the course title

14. Using the arrow just next to the video title, you can edit the video, move, or delete the video.

If you are using JoVE CORE, and would like to embed an entire chapter at once, you can do so without embedding videos one at a time.

1. Go to jove.com/science0education/jovecore
2. Find the desired chapter, and **Right-Click,** select **"OPEN LINK IN NEW WINDOW"**
3. Go to the new window, and copy the URL in the address bar.
4. In your course page in Brightspace/D2L, go to the "CONTENT" tab at the top of the page

5. Under the title of the course, click on the blue, "New" drop down button

6. Select "**CREATE A LINK**"
7. Add the title from your chosen JoVE CORE Chapter, and paste the copied URL from the new window.
   Note: you can set the URL to open in a new tab, or open the chapter in your course page as seen below. Use the "Open as External Resource" button for this.
8. Click "CREATE"
9. The chapter itself should now live on your course page, and be fully interactive so your
