

Teaching with JoVE on ZOOM

Below you'll find a few simple steps on how to share JoVE videos with your students while in a Zoom meeting. To set up a Zoom meeting securely please check the best practices [here](#).

- Log into your JoVE account and queue up the video you would like to share
- Turn closed captions on by clicking on the **CC** button in the bottom right corner of the JoVE video player
- In your Zoom meeting, select **Share Screen**
- In the pop-up window, select which part of your screen you would like to share
- Check the **Share Computer Sound** box to the left
- Click the **Share** button to the right

- Hover over the bottom of the Zoom screen to see the control panel

- Mute your students so that there isn't any background noise by clicking on **Mute All** at the bottom of the **Manage Participants** window

- If you would like to narrate or comment while the video plays, make sure you do not mute yourself

- **Play the desired video!**
